CITY MUNICIPAL COUNCIL
Mysore, Dated 7th September 1951

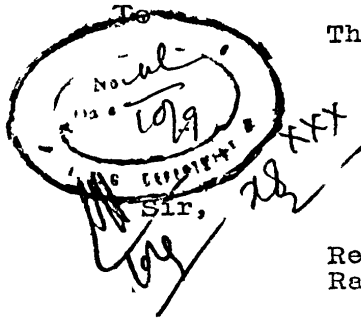

50-51

Secy - P. V. A. 19 51

FROM

THE MUNICIPAL COMMISSIONER
CITY MUNICIPAL COUNCIL

MYSORE

To
The Secretary to Government,
L S G Department,
Bangalore

(Through the President)

Re Construction of Gandhi Memorial Stoopas near
Rangacharlu Memorial Hall in Mysore City

2792 10/23/51

Adverting to letter No L-5639 dated 12-12-1949

received from the Secretary to Government, General Department,
on the above subject, I write to state that the work in
question was taken up as per estimate for Rs 12,000/- (44-48-6)
sanctioned in G O No L 5711-3/11 44-48-1 dated 29-11-1949
and the base portion of the stoopa was completed. The
adoption of a suitable design for the stoopa portion of the
work was under correspondence with the Government Architect
and after several inspections by the Planning Officer and the
Government Architect and also the Hon'ble Chief Minister,
the latest design sent by Mr Arumbalegal on 21-6-1951 was
duly approved by the Hon'ble Chief Minister. Estimates
for the execution of the work in accordance with the design
as now finally approved were prepared by the Municipal
Engineer and the total ^{estimated} cost for the execution of the work
comes up to Rs 25,000/- as abstracted below -

Expenditure incurred up-to-date	Rs 5,614- 8- 0
Redecorating of the base (as per estimate)	Rs 5,000- 0- 0
Supplying required polished stone of the stoopa portion and the parapet portion	10,500- 0- 0
Erection of stoopa	1,000- 0- 0

Layout of gardens and flood lights	2,200- 0- 0
Miscellaneous and unforeseen	685- 8- 0

Total	25,000- 0- 0

As the total amount of the estimate far exceeded the donation of Rs 12,000/- by Sri C R Venkatasubba Setty and the donor has finally declined to give any further contribution for the work, the Council were of the opinion that in view of the monumental nature of work in a prominent part of the City, it behoved both the Council and the Government to share the excess over and above the donation amount of Sri C R Venkatasubba Setty. They have therefore resolved while approving the estimate, that Government be requested to meet half the extra cost, the other half being borne by the Municipality. It is to be stated that the Foundation Stone of the above work was laid as far back as 24-2-194 by the late Hon'ble Sirdar Vallabhbhai Patel and on account of correspondence regarding a decision for a suitable design for the work, there was some unavoidable delay. It is the wish of the citizens of Mysore as also the Municipal Council to see that the work is accomplished as early as possible. As this important work cannot be further delayed, the Council have approved the note of the Municipal Engineer to take up the work in anticipation of the sanction of Government and have directed that the work of re-modelling the base as per design furnished by the Government Architect be taken up in anticipation of Government sanction to the total estimate. In enclosing herewith a copy of the Council resolution in this behalf I request that orders of Government may kindly be obtained sanctioning (1) the estimate for the construction

of the Gandhi ~~Memorial~~ Stoop at a cost of Rs 25,000/- and also to a grant of Rs 6,500/- being the Government's share of the extra cost and permitting the Council to pay its share of Rs. 6,500/- towards the construction of the stoopa, necessary re-appropriation being made from out of the closing balance to recoup the provision now made. It may also be mentioned here for the information of Government that the quotation of Messrs Narayanaswamy & Sons for ^{supplying and} polishing the stones ~~and engraving letters~~ for the stoopa is Rs 8,500/- as against an estimate of Rs 10,500/- provided for in the abstract estimate. There will apparently be a savings by Rs 2,000/- under this head and the contribution by Government and Municipality might be ^{consequently reduced} ~~less by the amount~~. Any savings effected after the completion of the work will be refunded equally to Government and Municipality after defraying any excess expenditure that might have to be incurred in respect of other items, over and above what is now provided for at present. Meanwhile in order to have the stoopa finished within the shortest possible time and have it unveiled early in December 1951, the contractors Messrs B M Narayanaswamy & Sons have been requested to start the work at once.

In these circumstances, I request the favour of very early orders of Government sanctioning the estimate and the grant and also approving the action taken.

Yours faithfully,

M. S. Srinivasan
Municipal Commissioner

M. S. Srinivasan

ML President
us 7 9 51

Proceedings of the Ordinary meeting of the Mysore City
Municipal Council held on Monday the 30th July 1951
at 4 p.m in the Municipal Offices

435 Works Committee Res No 350/23-7-1951 recommending approval to the Municipal Engineer's note dated 9-7-1951 regarding the construction of the Gandhi Memorial Stoopas and that Government be requested to contribute a moiety of the estimate and that in the meantime work might be undertaken with the available funds pending sanction of the Council and Government, after calling for quotations for the base portion and quotations received since from 4 contractors, the lowest being of Sri D Krishnadas, for Rs 4681/-

The Council approves the recommendation of the works Committee approving the Municipal Engineer's note dated 9-7-1951 regarding the construction of Gandhi Memorial Stoopas the six estimates, namely

Expenditure incurred up-to-date	Rs 5,614- 8- 0
Remodelling of the base (as per estimate)	5,000- 0- 0
supplying required polish stone of the stoopa portion and the parapet portion based on the quotation rates given by Sri Narayanaswamy & Co	10,500- 0- 0
Erection of stoopa	1,000- 0- 0
Layout of gardens and flood lights	2,200- 0- 0
Miscellaneous and unforeseen	685- 8- 0

total	25,000- 0- 0

are also approved

The Council also approves of the recommendation that the work may be taken up in anticipation of Government sanction

The Council resolves to request Government to meet half the moiety of Rs 13,000/- required above the donation of Sri C R Venkatasubbasetty, for installing the stoopa, and the Council agrees to meet the remaining half, of Rs 13,000/-

The lowest quotation of Sri D Krishnadas for Rs 4681/- for remodelling the base as per design of the Government Architect is accepted

Hon'ble Chief Minister

---f--

MYSORE

10/6-1951

The site for the Gandhi Memorial Stupa in Gandhi Square was inspected in company with Mr Krumbeigel. The design which the Municipal Council have at present approved and also the revised designs prepared by Mr Krumbeigel were considered. The design prepared by Mr Krumbeigel were the Stupa and for the base and steps and also the layout suggested by him for the circle are better and are approved. Mr Krumbeigel has promised to send fair copies of his designs as soon as he gets back to Bangalore.

It was stated by the Municipal Commissioner that the revised designs would involve remodelling of the steps already built and that the revised design for the stupa suggested by Mr Krumbeigel was likely to cost more than the donation amount of Rs 12,000/- Revised estimates for remodelling the steps and for the stupa according to Mr Krumbeigel's design may be prepared by the Municipal Government will sympathetically consider the question of giving a grant to meet a portion of additional cost, the balance being met by the Municipality.
